

# KT-SH-6L-CABLE-KIT

## CABLE MOUNTING ACCESSORY FOR 1-6 LAMPS

### DESCRIPTION

Cable mounting accessory for Sign Hero LED lamps, 1-6 lamp application.

### APPLICATION

Designed to prevent lamp sagging for horizontal applications over 8' long.

### FEATURES

Cable kit includes magnetic mounting bracket and hook which can also be reinforced with (2) self-tapping screws (included), cable wire with (6) self-clamping tension locks, and "C" lamp holding-clips.

### CABLE MOUNTING

1. Secure mounting bracket and hook to underside of fixture.
2. Adjust self-clamping tension locks to preferred height by raising vertically. To lower, unscrew bottom of lock to adjust.
3. Set lamps in "C" holding-clips.
