

# LT6

## LR6 Trim Accessory

### Product Description

LT6 trim accessories are designed for easy snap-in attachment to the LR6 family of downlights, providing a clean aperture appearance that decreases high angle brightness with minimal effect on lumen output. With a variety of colored finishes to choose from, the LT6 is a spec grade solution that compliments a variety of interior designs.

### Product Specifications

#### CONSTRUCTION & MATERIALS

- Lightweight anodized aluminum trim designed for easy snap-in available in a variety of finishes. Reference back page for finish options
- Models A, AW, AP, and AB feature a diffuse anodized reflector with painted white flange
- WH model features a smooth white painted reflector and flange
- BB model is made of a specialized ABS thermoplastic material with flat black reflector and flange
